

STEVE TURNER

RIM OF THE WHEEL

Steve has released two further albums since his return to the folk scene in 2004 after a 12 year absence having been a professional singer for 10 years in the 80's.

The Whirligig of Time CD received great acclaim and was long listed for the BBC folk awards in 2008 with magazine interviews and national radio plays.

The new 6th album Rim of the Wheel would appear to be a further step forward, as illustrated by the following reviews:-

Reviews

"SHEER GENIUS. A SURE CONTENDER FOR MY TOP FOLK ALBUM OF 2012"
N E Folk Roundabout. David Kidman

"The variety of material and accomplishment of it's execution is stunning. I promise you Steve is just as good in live performance as he is on CD. If you are going to buy only one CD this year. I would suggest you seriously consider getting this" **Mardles - E. Anglia - Mary Humphries**

"Steve's singing and playing here is majestic. He brings a new depth and quality to song accompaniments on the concertina. One of the old guard of the folk revival has come up with one of it's finest albums"
F/Roots - Vic Smith

"Here is a brilliant artist at the top of his form. The finest concertina accompaniments that you will hear anywhere" **Folk Diary, Sussex**

"A remarkable collection. This is a considered and well crafted piece of work bearing all the hallmarks of a master tradition bearer" **English Dance and Song Magazine EFDSS**

"Fabulous singing and playing. I was struck by the versatility of his voice and sympathetic concertina accompaniment" **Folk London - Alison Frostdick**

"Fantastically assured. Turner's ability to hold the listener rapt as the stories unfold is a delight. More than ever it shows a performer with the reins held tightly in his grasp" **Living Tradition - Claire Button**

"A man who is at the very top of his trade, his passion and various shades of delivery are a treat to hear"
Shire folk - Jon Bennett

"Listen to this CD in quietness, with amazement and preferably in darkness"
Folk News Kernow - Chris Ridley
